

Responsible Alpha is a B Corp certified, sustainability consultancy specializing in sustainable finance and transition strategies, merging 180 years of global experience with local expertise. We have deep experience empowering all organizations to transition to a net positive economy by 2050.

STRATEGY & INTEGRATION

Achieve long-term growth with customized sustainability, climate, and ESG strategies. Responsible Alpha builds integrated strategies that improve long-term value creation, mitigate risks, and promote sustainable development. By evaluating organizations' value chain, from design to production, we create actionable plans to optimize processes, improve efficiency, and achieve measurable sustainability outcomes aligned with organizational goals.

OUR WORK IN ACTION

To support Kind Capital's impact investing strategies, Responsible Alpha has been engaged to provide expert guidance on technical scientific analysis, climate change risks, sustainability frameworks, and ESG integration. Our role will focus on embedding data-driven methodologies into investment decision-making to align Kind Capital's portfolio with both financial performance and measurable sustainability outcomes. By leveraging advanced ESG analytics and climate risk assessments, we aim to help Kind Capital enhance impact transparency, mitigate risks, and drive long-term value creation.
